From Yarm Town Centre, go up the hill (The Spital) in the direction of the A19 / Kirklevington. Go past Yarm School on the left, Goosepastures on the left, then "The Pines" on the right. Do not go into The Pines (although your SatNav may try to take you there). Turn into the drive off the main road on the right, the first driveway off the main road after The Pines. You will go through some metal gates. Take the left hand fork (you may want to park your car on the left so you don't have to reverse down the drive). Walk up the left hand drive, through some metal gates and you will see Spital House (in the back garden of Kentisbury).

From the A19, take the A67 / Crathorne Yarm turnoff and go towards Kirklevington. Go straight across the roundabout with a Shell Petrol Station and carry straight on down Thirsk Road. Go across the crossroads with Spitalfields on the left and Leven Road on the right. Our house is the 4th on the left directly off the main road after the crossroads. Turn left onto the driveway through the metal gates and take the left hand fork on the drive (you may want to park your car on the left at the bottom so you don't have to reverse down the drive). Walk up the left hand drive through some metal gates and you will see Spital House (in the back garden of Kentisbury).

Your satnav may try to take you either into a road called "The Pines" or a steep track called "Grammar School Lane". Neither of these are correct, you turn into the driveway directly off the main road "The Spital".

Looking forward to meeting you,

Mandy x

**Do not go up the right hand side of the driveway
as this is our neighbour's house**
